

# Global Challenges for Our Sustainable Future

A Social Sciences and Humanities Approach

**15**  
Jan.

2024

until

**26**  
Jan.

2024

A 2024 winter university unlike any other. Immerse yourself in the world of sustainability during small interactive, multidisciplinary online classes. The winter university programme offers credit-bearing courses and targets all advanced Bachelor's and Master's students with an interest in sustainability.

CREDITS:

**6 ECTS** with pass/fail score

NUMBER OF PARTICIPANTS: 50
