

Not just

any deal.

The Deal.

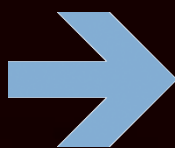

The Investment Banking Deal Competition on Campus

The Deal is a competition for college students that simulates the dynamics and decision-making of Investment Banking. It is a hypothetical acquisition based on the actual market. You'll face the same challenges that our Investment Banking teams encounter. You'll work in a team of 3-5 members and assume the role of the financial advisor to the Board of Directors of a publicly listed consumer product company of your team's choice.

Now you'll be able to demonstrate to us that you have the resilience we look for and prove that you can work together as a team. It's tough but it's rewarding. Impress us and you might be rewarded with a **final interview for an Investment Banking Summer Internship position in Asia.**

Registration closes: June 2, 2013

Visit our website to register and learn about the rules and eligibility criteria for this competition.
